## Managing Director's Message

*"Management is doing things right; leadership is doing the right things" – Peter Drucker*

The mantle of this position is herculean and colossal and it's with great humility and subservience, that I recognize the expected responsibilities and duty that comes with it. LOTUS has always been synonyms with its founder Dr. S.K. Sundaramoorthy, and his acumen and ingenuity were the true stimulus behind the triumph of this organization today.

*"Good things take time"* and this transitioning period has proven the same. Challenges are plenty and the nature has been demanding and onerous with us, but nevertheless, our valor will help us overcome the tough binding situation at hand and to a major extent, we have overcome the pressing matters at hand successfully.

In this aeon for LOTUS, the importance, emphasis and priority, will always be at ensuring and securing the credence and credibility of our existing shareholders, along with new cohorts that shall join us in this journey towards greater heights and success.

*Sangeetha*

Ms. Sangeetha Sundaramoorthy  
(Managing Director)
